Secretary of War or
Adjutant General

Sir

On the 3rd day of August last. I appointed Charles A. Holt Adjutant of the 25th Regiment of Va. Inf., then and since then under my Command, I appointed him under an Ordinance of the Convention of Va, providing that the Commandant of a regiment may appoint his Adjutant with the rank pay and allowance of Captain, but the Confederate States Paymaster refuses to recognize and pay him under said ordinance. I therefore ask that he may be commissioned under an act of Congress providing therefor to date, if possible, back to the 3rd day of August ¹⁸⁶¹ which time the said act I believe was in force.

Mr Holt has had the advantage of two years at the Virginia Military Institute and has been in active service since the 22nd of last April and has been with this Regiment since the 12th or 14th of June, as Quartermaster until his appointment as Adjutant, since

which time he has been of great service
to the Regiment as its Adjutant. I hope
therefore that he will be commissioned as
desired.

Very Respectfully,
Yours &c

My dear Sir

I am very glad to hear

of the application of Mr. Charles J. Holt to the Commissioner of the General Land Office in regard to the land in the State of New York which was purchased by Gen. In 1840.

St. Holt has sent in his resignation from the office and requested to be appointed to the Commissioner's command. He desires to go there with a full commission without pay, and as he has had a military education and has served with credit and gallantry during the war, Gen. In 1840 desires to have him. He desires to have him. I am, Sir, very respectfully,
Yours truly,

There is a great deal of talk about the
the late Major. I have seen that he did
not know how he could have gotten along
after the termination of the War. I suppose
upon him had it not been for Charity.
And as you are aware he has yet to receive
from home as that is no reference to the
enemy and his services & long
& painful confinement to camp. He has

Aug. & from that time to the present
not one cent no. will he get anything
unless his appointment is made to take
effect as from 1st Aug. & August and
I can see no reason why this should not
be done in the circumstances. Mr. Maj

I arrived here safely yesterday (Friday) evening, having visited Lexington and remained several days at Shannon H. Springs. I suppose you have heard before this that it has been decided as to watch the tops of Alleghany this winter, we are here in the coldest part of Virginia snow on the ground and nothing but our thin tents to shelter us from the bleak winds, it is the impression that we will not be able to get into Cabbin before the middle of January and perhaps not so soon you know how little account frozen mortar is therefore we do not expect much comfort this winter. We understand that 3 more Regiments left the Randolph Valley last week leaving but two or three regiments there, can you not prevail on the authorities to allow us to return at least as far back as Monterey as we will freeze in our tents. I do not expect half of our men to see next spring unless something is done for us there is no use in having us all here when it is ascertained that the Yankees are nearly all having chests, all have huts except

Dear Sir,

I have the honor to recommend
for appointment to a Lieutenant, in the Infantry Service,
Mr. D. D. D. D. D.
The gentleman has served with the 1st Regt. of the 1st
Inf. Div. during the campaign, having been captured by
the enemy on the 25th of May, and he was
offered a ransom.

He has acted as a scout, up to this time, but he has
no intention of being any a leader of a party on such an
expedition.

I have had many opportunities since his capture to
test his courage and ability, and I have no doubt that
he will be a valuable officer and a well qualified soldier.
I am sure he will be a valuable
to the Government.

I am, Sir, very respectfully,
Your obedient servant,

Wm. D. D. D. D. D.

A & I G O,

Sir

I have the honor to make the following statement for the consideration of the Commanding General, By Special Order No 114 from the Adjutant General's Office Richmond Va dated July 22nd 1863, 1863 and received by me July 22nd 1863. I am directed to report for duty in this Department with Genl. Brannigan. I find upon inquiry what I presumed to be a fact before, that I am senior in rank to Major Genl. Chf. Lt. Genl. the date of my commission being in November 1861 and I therefore deem it due to myself and as an officer to protest, most respectfully against being assigned to a subordinate position to my junior. I do this with no desire to be contentious, but merely as act of justice to myself.

Sir,

The Reason of this is, I send
you Mr. Wells, late of the Army of N. V. He has been with you
long, in the service of your former command, but before
my commission in the 11th Illinois, I sent him to a private school.
When I was in England he was my adjutant to the 11th Illinois
Academy. He graduated there in 1855 with distinction, and
a good many of your letters recollect some - good in
experience, & just such a young officer as our service needs.
I think he will be a valuable addition to your staff, and
on account of the location of his estate & his home for the sum-
mer of 1857, his services to the new government, etc.
will have you a letter from Mr. P. Walker on the subject.

I take great interest in this young gentleman - he
came I have been from the Philadelphia & I have been
to the north. I need not say I shall be greatly gratified
at his appointment to your service under the new
- etc.

Very Respectfully,

This is to Certify that we have carefully examined
Surgeon Leonard Holt now in charge of General Hospital
at this Place and find that he is unfit to discharge
the active duties of a Surgeon by reason of Haemoptysis
and general want of Physical Stamina. And in
our opinion if he continues in service his health or
even life will be greatly periled

General; I am informed, that it is probably
one or more Brig. Genls. ~~are~~ to be appointed
from Alabama. I beg to recommend, through
you, for that position, Col J T Hollychaw
of the 18th Regt. now commanding in
Alabama at Mobile. From personal know-
ledge I can say, that Col H is an excellent
Officer, and commands in the highest degree
the confidence of his men. He was in the
battle of Shiloh, and was distinguished for
gallantry and courage. I know no man
in the service from this State, whose promise
is greater, and I strongly recommend his
appointment as eminently fit and proper
to be made. Excepting in the case
of Col Tracy - recently promoted - I believe
I have not otherwise troubled you with
recommendations.

His Excellency

Jefferson Davis,

President C. S. A.

Sir:

I hope I may be permitted for commencing to your favorable consideration the name of Col. James J. Holtzclaw, Colonel commanding the 18th Reg^t of Ala Volunteers. He is a promising officer, of fine military attainments, and the highest personal character. He was dangerously wounded in the battle of Shiloh when he displayed great coolness & daring, & he has subsequently done in the late bloody battle of Chickasawga. I am informed that he has been recommended for promotion by all the General officers under whom he has served, including his Corps Commander & Gen^l Bragg.

Col. Holtzclaw entered the service in the first Alabama Regiment which was sent to Pensacola and occupied the key & was near that city. He deserves promotion for his skill, bravery & devotion to the cause; & it will be most gratifying to his

summers friends to hear that his patient and
valuable services have been duly rewarded.

With high personal regards I am

Yours Excellency,

General,

I sometime since joined in

My acquaintance with him as an
officer since that period has strengthened
my former opinion of his ability; and
should he receive the promotion which
he merits I would at any time be
more than satisfied to have him under
my command.

I learn that Moore's Brigade is also without a commander and therefore respectfully bring Col Holtzclaw to the attention of the General Commanding for that position.

I learn that Genl. Polkerton has

I have previously said. He has been

General,

I am informed by Col J. J. Holtzclaw. 18th Ala. Regiment, Commanding 1st Brigade at Mobile, that he is an applicant for promotion to the rank of Brig. Genl. I am happy to state that I consider him well worthy of that promotion for zeal, energy, & gallantry at Philoh, when he was shot through the body - but I am told he has entirely recovered from his severe wound, & is now in command of a fine Brigade.

Hoping that he will be successful in his application,

I remain respectfully

Col. Holthelaw has been in this
Division since its organization
in June. I know him well
and take pleasure in adding my
testimony as to his high qualifi-
cations, both as a man and
officer. He fully merits the pro-
motion asked, and as I learn
there is an Alabama Brigade
in this Army, without a Brigade
Commander, it may be
assigned to the command of it.

This is the second time I have
forwarded a similar recom-
mendation in reference to Col.
Holthelaw and presume his pro-
motion has been deferred only
for want of opportunity.

Sir;

I beg leave again
respectfully to recommend Col James T.
Holtzman of the 18th Ala. Regt for promotion.

In addition to his previous services, Col
Holtzman has more recently participated
in the Battle of Chickamauga, and at
Lookout Mountain and Missionary Ridge.
At the two latter places he commanded
the Brigade. His long and meritorious
services, and his acknowledged ability
as a commanding officer, seem to
me to commend him to the highest
consideration.

Learning that the friends of Col.
J. S. Holtzclaw of the 18th Ala Regt are
urging his claims for promotion, I cordially
give my testimony to the high capacity and
worth of this officer. I was in the same
Brigade with Col. Holtzclaw for six months,
and had the amplest opportunity of judging
of his merits. As a drill officer and dis-
ciplinarian he is the equal of any volunteer
officer in our service. For qualities that win the
confidence and respect of his command he is most
remarkable. His daring courage and cool determi-
nation were conspicuous to our whole Brigade at
Shiloh, where he fell churing his Regiment in
the charge on Prentice's Division, which our
Brigade in part captured.

I take pleasure in stating that I believe the public
service will be benefited by the promotion of
this officer

His Excellency

The President

The matter of my promotion
having been somewhat discussed between us in
your late visit to Mobile, in submitting additional
testimonials, I think it not improper to speak
of myself. I am very anxious to our separation
I had no other division on the only ground for the
heavy weight of the South's military. Certain that
such separation would cause hostilities between the two
sections. I undertook to prepare myself for service
by a study of the military science, & an education
partly military. I met the practical experience
of his grade as an officer in the first military
company of my state. I then learned thoroughly the
details & duties of a soldier's life.
When Alabama seceded, I went as the adj of the
late Col. Thomas to Pensacola & was present at
the occupation of the Navy Yard, Fort Barrancas
& Fort Pickens, sent by the Col to demand the surrender
of Fort Pickens, which being refused. I designated by
him as leader of the storming party to carry
the same by escalade, which the intervention of
orders from Col. Chase prevented.
I appointed from the rank of Captain to a field
office in my present Regiment on the 1st

September 1861. I have been with it ever since
I have justly deserved a fortune not incommensurate
to our cause. & the testimonials submitted show I
have not been short of my blood.
Wheeler, Tracy, Adams, & others, who were with me
in the late 4th Infantry Brigade have been promoted
by their conduct in the field demonstrated the
wisdom of their appointment. From the most active &
valuable letters & will produce similar ones from the
other of friends.

In September 1862 I was directed
to direct the 1st Brigade Army of
the Potomac. I have a copy of the order
bearing, showing his appreciation of my capacity
in addition to the recom-
mendation of the chief officers of the Brigade. I have
submitted, I have a petition to Genl. Tracy
signed by every commissioned officer in the
1st Brigade asking that he be retained in command
of the same.

Meeting the papers herewith submitted
in addition to those already before your eyes
to show my support.

certainly give the Executive to do

Dear Sir

My Brother John S. Holtzclaw, was appointed 2nd Lieut of Infantry in the Ala Service, & was assigned to duty at Fort Mifflin in Capt Wallace's Company. By some misunderstanding another appointee of the Ala Service of the same grade one — Haley was assigned to duty, or serving with said Company when it was transferred to the Confederate States, which arrangement excluded my Brother; Haley has just resigned, my Brother desires orders to join said Company & holds himself ready to do so. Should you appoint him to the vacancy it will be entirely agreeable, to both men & officers in said Company.

Respectfully

John S. Holtzclaw

[Faint, mostly illegible handwritten text covering the majority of the page, likely bleed-through from the reverse side.]

Naval Commandant's Office,

Mobile, January 19th 1863

His Excellency
The President.
Sir;

I am informed that my friend Col. Holtzclaw of the 18th Regt. Ala. Volunteers is desirous to be promoted to the rank of Brig. Genl. Col. Holtzclaw is one of the gallant heroes of "Shiloh" where he received a very dangerous wound, from which he has recovered. I have often heard his gallantry spoken of by many of his brother soldiers who were associated with him in that gallant fight, and since my arrival here I have witnessed the high order and discipline, not only of his own Regiment, but of the Brigade he has commanded for some months; I feel well assured that Col. Holtzclaw will fill with honor and credit to himself and Country the position he seeks, if successful in his application, and his numerous friends from this State would feel perfect confidence in him when before the enemy.

Respectfully,
Yr. Obedt. Servt

Mobile, Jan'y 24th 1863

Gen. S. Cooper
Adj't. & Insp. Gen.
Richmond,

Sir:

My acquaintance with
Col. Holtzclaw, who is an applicant for the
appointment of Brigadier General, is so limited
to enable me to recommend him in terms
which, I doubt not from the high testimonials
he has received, a more intimate knowledge
of him would enable to do. As far, however,
as the health, discipline, and excellent instruction
of his troops are an index of his merit, I
can cordially endorse him as an officer of
great efficiency.

I am, respectfully,

Yours &c.

A. M. Buckner.

concur in this recommenda-

there is a vacancy yet in the

doubt if a better selection
could be made than Col.

16th August 1863.

General;

I respectfully call attention to Col
J.T. Holtzclaw commanding the 18th Ala. Regt.
in this Brigade as an officer, in my opinion,
deserving promotion. Col Holtzclaw has
been in the service since the beginning of the
Revolution. He was a Captain commanding
a Company at the taking of Pensacola
Naval Yard. Upon the organization of the 18th
Ala Regt he was appointed Major until by the
death of Col Ballock and the subsequent resign-
-nation of Col Shorter he was promoted to Colonel.
This last position he has held for more than
fifteen months, and during a considerable
portion of the time has been in Command
of the Brigade to which he has been attached.
He has one of the best drilled and disciplined
Regiments in the service, thus affording one of
the highest evidences of his qualifications as an
officer. He is a gallant and brave man.
I believe his promotion deserved and will
conduce to the good of the service.

Very Respectfully
Your Obt. Servt.

Capt

I have yet received no blank register
Regimental Monthly Returns, Capt Shrewsbury not hav-
ing gotten back to Camp. He will probably get back to-
morrow. If he brings the blanks, I will send in the returns
from the Regiment on Wednesday (4th inst), and those
from the other Commands as soon as I can possibly get
them. Since Capt Shrewsbury left I find I have mis-
calculated the number of blank Company Returns, I
had on hand and consequently could not furnish
duplicate copies to all the Companies of the different
Commands. Can you send me eight or ten blanks for
companies? In doing you will confer a great favor.

Very respectfully,

Isaac M. Briggs

Your Dispatch has
just come to hand. Col. Webb requests me
to say that Lt. Harman, when asked for the
Spy Glass, reported that he had sent it to
Brigade Ad Qrs, by a sergeant, whose name
has escaped my memory. You will remem-
ber this was stated when the Company and
Map were sent up. Lt. Harman is not now
in Camp. As soon as he comes I will learn
the name of the sergeant and find why
the Glass has not been returned, I send the
properly return. Col. Webb had gone to see
about our pickets which have just been
sent in, as you will see by the accompanying
dispatch.

Very Respectfully &c

Capt

I send to day my Field return and tri-monthly ordnance report. I have been quite sick for nearly a week past, which I hope will excuse the ~~incompleteness~~ ^{inaccuracies} & omissions in the the reports of the other Commands. I am still suffering from Neuralgia in the head. The Cooks mentioned in the return of the Holcombe Legion are Negro servants. I had given directions that all these should be stricken from the rolls, and supposed it had been done. I tried to have the return made out in time for the courier this morning, but have failed.

I send a duplicate of Capt. Hawley's return, which I sent for immediately after receiving your note on Thursday last, but only received it yesterday. My fault was altogether mine in regard to Hawley's return.

Very Respectfully, Yr obt servant

Richmond 7 August

To the President

Dear Sir

I beg to present to you
my young friend & kinsman
H. Roy Chas. Hoare. He had
been for 3 years at the Naval School
at Annapolis, & then educated to a
military career. After the secession
of Virginia he was appointed a
Lieutenant in our provisional army,
& on duty at Fredericksburg. But he
has not been received
into the Confederate service.

His case, I am informed has
been laid before you, & I wish this
only to bring home to your notice
& I trust to your favorable

consideration.

His Father was
an Officer in the Army of the U. S.
& died in service, & their young
gentleman's commission as the
chief, if not only support of a
widowed Mother -

With great respect
yours

J. H. Miller

I am so affected by it that this
if necessary be considered
urgently addressed to the
Secretary at War.

J. H. M.

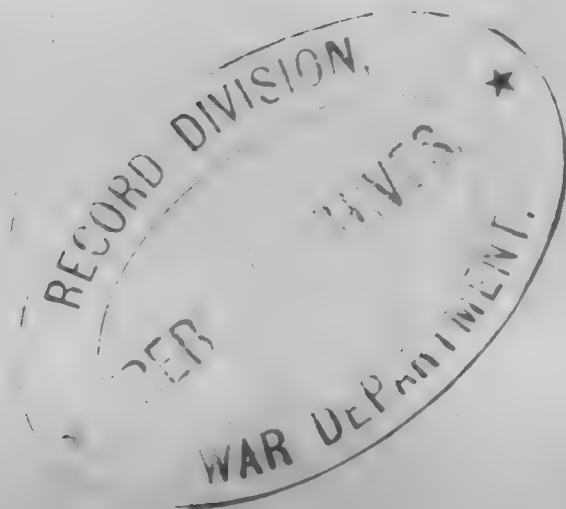

Sir: I have been favourably
known to me as a cadet of a
gallant family, his Father
and Uncle having been both
Officers of the Army. His study
of the principles of his posi-
tion in the Agricultural School
and the life of his Parents
has been the professional
study of the U. S. Engineers. Their
zealous devotion to the Equi-
table Constitution of the Confed-
erate Authorities. I have for
some time been
in the favour of the consideration
of the President

Most Respectfully
Yours at Seaboard

Attorney General's Office,

President Davis

My Dear Sir.

It affords me no ordinary pleasure to unite with the numerous friends and admirers of Brig. Gen. Allen in an effort to obtain authority from you for him to raise a Brigade in our State to be employed in the war now in progress. So well acquainted with the high character he has maintained in Mississippi for many years past it would be quite unnecessary to speak of his previous qualifications for such a command.

Always, until now, politically opposed to him - and my opposition the Southern Union - because of his acknowledged ability and influence, I have not failed to persuade and to appreciate his lofty patriotism, heroic courage and unquestioned devotion to what he believed the rights, the honor and the interests of his nation and beloved South.

Such I believe, must be the unanimous sentiment of his political opponents - certainly it would be of all who know him as well as I do. It was most strikingly expressed by the late

vote of the State Convention in Jan. last.
When he was elected Brig Genl. by a body, an
overwhelming majority of whom were his po-
-litical opponents. He was himself a member of
the body at the time. He espoused with all
the ardor of his generous and patriotic
nature, the proud position assumed by his State -
and has maintained it ever ^{since} against whatever
opposition it has encountered.

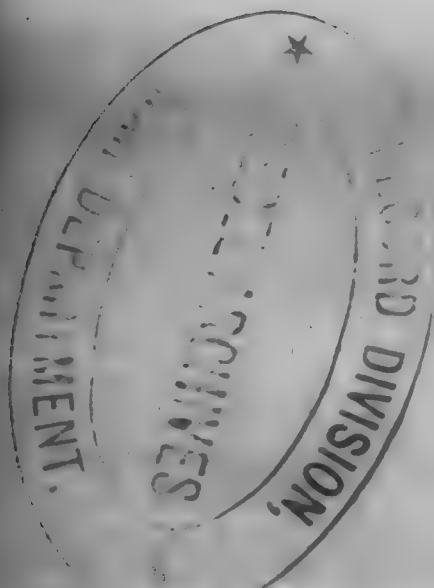

I know very few men indeed who are natural -
-ly ^{endowed} with such a combination of high qualities
for command. If in position, and opportunity
offering, I feel assured that he will enroll his
name high upon the list of those who will
be remembered whilst a word of him or
his valor is preserved.

Since his election as Brig Genl. he has de-
-voted himself assiduously to the study of ac-
-tivities and the duties of war.

I shall be delighted to learn that his applica-
-tion is favorably considered by you.

Most truly Yrs

After acquaintance with Gen. Alden, ~~being~~ ^{knowing} and seeing it unnecessary that I should add to what they have said in commendation of his qualifications for such a command. Genl:

I respectfully apply for a leave of absence for thirty days for the purpose of establishing my health some much impaired by repeated attacks of chills and fever, I was first attached at Danvers and not able to accompany the Court when ordered to Monteville, as soon as recovered I went to Monteville where I was again attached, when your order reached me directing the Court to assemble at this point I left my bed for the purpose of complying with it.

I have been on duty with the Court at this point for a week until yesterday when I was prostrated again.

I regret exceedingly to be compelled to make this application during the absence or leave of one of my colleagues Col. Kelly, but your order directing an officer to supply my place under the recent act of Congress assures ^{that} the public business will not be delayed by my absence. There is no obtaining in this part of the country such remuneration as my condition requires.

Col. Kelly is due at the Court in twenty days, Genl Forrest Court is daily expected. With high regards Your Obedt Servt

TREASURY DEPARTMENT, C. S. A.,

SECOND AUDITOR'S OFFICE,

Richmond, Va., November 1st, 1862.

REGULATIONS

the payment of claims for arrears of pay and allowances due to deceased officers and soldiers of the Confederate Army. Per Act No. 402, approved February 15th, 1862, and Act No. 30, approved October 8th, 1862.

The first section of the above named Act provides "that the pay and allowances due to any deceased volunteer non-commissioned officer, musician or private in the army of the Confederate States shall be paid to the widow of the deceased, if living, if not, to the children, if any; and in default of children, to the father, if living, and if not, to the mother of such deceased volunteer." The first section of Act No. 30 provides "that claims due to deceased non-commissioned officers and privates for pay, allowance and bounty may be audited and paid when there is official evidence of the amount due, satisfactory to the second auditor, under such regulations as he has, or may, prescribe, with the approval of the Secretary of War."

Section 2 of the same Act it is provided that "the claims of deceased Commissioned officers shall be paid to their heirs or representatives in the same manner as similar claims of non-commissioned officers and privates are now, or may be directed by law to be paid." Payment will be made accordingly under the following rules:

1. If the child or children be minor, payment will be made to the guardian, upon the presentation of the proper documents or guardianship, after the seal of the Court.
2. The claimant must produce his or her affidavit, and that of one disinterested witness, stating the relationship. For instance, if the claimant be a mother, the affidavit must state that there is living wife, child or father of the deceased; if the father, that there is neither wife or child; and if the mother, that there is no widow or child.
3. The magistrate or other proper officer must testify to the credibility of the witness, and the clerk of the Court must certify, under the seal of the same, that he is such magistrate.
4. The foregoing instructions must be strictly complied with. Powers of attorney or assignment, when necessary, may be executed before a magistrate or in the presence of two respectable witnesses. Claims prepared as herein directed, and transmitted to the second auditor by mail or otherwise, will receive as prompt attention as the business of his office will allow, and always in the order of their presentation. The amounts found due will be remitted by the auditor to the parties entitled as herein directed.

W. H. S. TAYLOR,

Second Auditor.

Colonel

I would respectfully ask that I be
granted a leave of absence for thirty days from the 15th
day of Dec 1863 to the 15th day of January 1864.

The following circumstances, I now having had a furlough
since the commencement of the War.

Besides I have a large amount of unsettled business
in my hands of my Uncle the late Col. Benjamin A. Rives
of the 3rd Mo. Regt. who was killed at the Battle of Elk
Horn, which I wish to make final settlement, so that I
may be relieved of the responsibility.

My business in Virginia having been neglected requires
my personal attention. Unless I be granted this leave of
absence I will be seriously damaged.

Trusting that you will give my application a favorable
consideration.

Surgeon Genl. A. C. Cochrane

To the Medical Director of the Medical Department of Richmond I write a few lines of your hands, and I trust you will do not regard my detention with a difference. You may have the absolute power to grant the request, & I it is doubtless within your power to bring about the change.

It is that my uncle and your friend and classmate Dr. Isaac P. Slope, whose family refugees from France, and entirely dependent upon his exertions for an support and even in nearly every instance, he assigned to hospital duty in your department. His extreme modesty and the severity of the circumstances alone have prevented him from making personal application. He is now with the 25th Regt. of Infantry at Shaffer's farm, and at present has been felled for the last twelve months, and it is also he seriously injured by the exposure of field work this winter. There are many other circumstances of the kind urging me to address you this time, which I must leave to you but I hope my appeal will not be without effect.

There is a vacancy on the General Staff of the Medical Department, and also in one of the departments of the same hospital. Either of these positions would be acceptable, and if it should please you to take any action in this matter, I know your kind action would be most gratefully remembered by his family.

Most Respectfully,

His Son

Surgeon Genl. A. C. Cochrane

Sir,

By a letter from Mr. Smith, my
former clerk, I learn that you require
a Quarterly Return of my transactions in
Company at the post in 11 months for
the last quarter during which I held
that position.

In reply I have to inform you
that my papers were captured at that time.
My health being at that time so very
poor as to preclude my attention to this
or any other concern either public or
private.

You have, however, my Monthly Abstract,
for the period embraced in your demand,
& if you will transmit me copies of
the same I will furnish the Report you
require — without this it will be impossible
for me to comply with your wish.

Very Respectfully

Dear Sir

July 4th 1864

Friend

My Commission is in
the 1st Infantry Department, in which
Department I have been for
many months discharging
duties very well.
I have applied
to the Department at Richmond
asking to be assigned to duty
with St Paul Regt which
was granted. At the time
I made application for an
assignment with St Paul Regt
Smith, I have a record
for 10 months in 1863
which shows that I was
not sent as an infantry
man I understand have
orders to duty with St Paul
on this day of the month
as I have from
the Department of the War
been with my State Troops and

am quite with my friend, I have
to say of course to your friends
my state paper or my own
from my state friends by
translation of your letter
have been to my sister
and Peter I am sure to
please to see you -
and if you are not
affiliated I think the
arrangement will be made
soon, I am -

My dear friend -

about in regard to the position I held
in the army. I stated the above circum-
stances to him - to which as I re-
plied, he said - "It is all right,
go to Genl Cooper & see if there
is any chance for you to be
ordered." I immediately went to
Genl Cooper, who directed May to
make out a list of the Brigades
who had no Brigadier over them.

I assisted in making out the list
myself, and gave it to Genl Cooper
who, I understood to say, would give me
my orders in a few days. I asked to
be assigned to the 1st Division
which was granted & I understood the orders
were to be sent on to me. I came to
Mobile, and waited patiently for my orders
but none came. I then applied to May
Genl Lee for duty, & he wrote to Genl Cooper
requesting me to be assigned to him for
duty. Some time afterwards Genl
Pork, who (by way of his name) to see
Pork, who would assign me to a
command. This I did, thinking all that was
necessary was to find a command, &
I would be assigned to it by Genl Cooper.
I asked Genl Pork, if he had ^{any} letter
to Genl Cooper that he wished me to take.

This command, and he said it was
not necessary, as I was one of the pa-
roled兵捕房 prisoners. He had
right to order me. It Gen. Lee
me to report to him. I went to
me tomorrow I go to see him. On
the day I started to join my
the train between Mobile & New Orleans
stopped on account of the advance of the
man & I was cut off from him. I re-
turn at the request of General Kuyler
General assigned to the command of a
Brigade by Gen. Maury. As soon as the
enemy fell back & Mobile no longer
the danger, I applied again to Gen. Lee &
he ordered to Gen. Lee, which was com-
and I came here to this command.
From another reason, I feel that
my appointment had been given to
me. It Gen. Lee would see me. The
President would give me my place, as soon
as a command could be found to which
to order me. With this explanation
to be shown to the President, so that my
present position may be defined, I beg
leave to subscribe myself
in May 2nd

THE END OF THE WORLD

1872

My dear friends,
I have just received your letter of the 11th inst. and am
glad to hear from you. I am well and hope these few
lines will find you the same. I have not much news to
write at present. I am still in the same place, and
continue to study and write. I have just finished a
book on the history of the world, and it is now in the
press. I hope it will be published soon. I have also
written a number of articles for the "Monthly", and
they are all in the hands of the editor. I am
very anxious to hear from you again, and hope
you will write soon. I am, my dear friends,
very truly,
Your affectionate friend,
Wm. Lloyd Garrison

He was captured and paroled at Augusta, Georgia, May 10, 1865, as Surgeon on General Ruggles Staff, residence Virginia, destination home.

In correspondence on file, dated November 26, 1862, it is mentioned that he was a Native of Virginia, resided in Philadelphia, where he married a lady of wealth. Against strong opposition of wife and family started South to join the Confederate States Army, when he was arrested and imprisoned. During imprisonment his wife obtained a divorce. His mother of Winchester, Virginia, aged more than 70 years, a sister of John E. Page of Clarke County, was arrested by Union Authorities.

Sir

John L. A. [unclear] of Chattanooga, is desirous of an appointment as a member of the Court provided for by recent act of Congress creating Courts to examine crimes.

Hon. Hopkins is a lawyer by profession & is, I believe, well qualified for the office.

The services of such a Court are greatly needed at this time in this Dept. and I should be pleased if one is speedily organized and Mr. Hopkins put on it and it be directed to enter upon its duties without delay.

There are a great number of cases in this Department for trial, and I have not suitable officers for that duty without detaching them from more important duties.

Very Respectfully

We commend most cordially to
your favorable consideration, John L.
Hopkins of Chatauque County, and
Major L. Mynatt of Knoxville County, as
proper persons to compose in part
the Army Court for the Army within
the Department of Tennessee, if you
shall determine to organize such a
court for that Army.

The learning, experience, sound-
ness of political sentiment, and in-
tellectual resources of these gentle-
men fit them for the position which
through us they ask you to bestow upon
them.

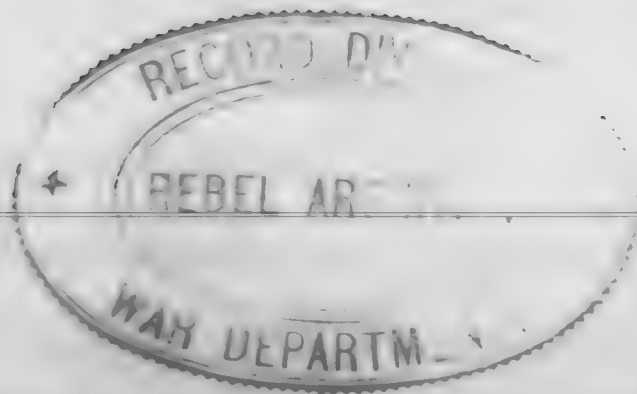

Major Hopkins is now acting as

special aid to Gen Harris and is
in some manner engaged in looking
after the enrolment of conscripts in
E. Tenn. Thos Myhall has contrib-
uted materially by his influence and
means in organizing several volunteer
regiments in E. Tenn. They are both
sound lawyers of several years ex-

General

I have the honor to  
recommend for the appointment of Major and  
Adjutant General in the Regular Cavalry  
Mr. Hapkins. I take great pleasure  
in making the recommendation as he  
is well qualified for the position and has  
served with credit as a Soldier and Officer  
during the war.

In the affair at Mission on the 1st  
of last February he did the brave deed  
in a single charge to capture the  
Cattle of Brandy Station. He was  
one of the first in the ranks of the  
fight and killed one of the enemy  
with his own hand. He was  
wounded in the arm but gallant  
in fact when our Company was  
even engaged his conduct was  
the admiration of all. He is a  
valiant and high moral character  
and is well qualified for the position  
he is recommended.

There is no objection to his  
to this Record.

I am very respectfully

Yours very truly

Major Warren M. Hopkins of Virginia now commanding of  
this Brigade to be Chief of the 2nd Corps recently  
organized into a Regiment from the 2nd & 3rd Divs of

Dear S. B. Northrop

Sir

The cause of my dismis-  
sion from office was that I was  
neglecting my recent official letters was that I was  
on leave of absence to Gen. have just returned  
I will give early attention to the correction of my  
reports and hope to be able to give entire satisfaction  
I have not been making regular monthly & quarterly  
reports since I have been with a brigade in the field  
submitting that it was not necessary where I drew stations  
on consolidated provision returns as it would greatly  
increase business in your department and that all my transactions  
would appear on the Brigade Commanding Reports. I had  
informed you earlier or not it is positively necessary that  
I should make monthly and quarterly reports of actions

Dear Gen.

Believing that I could be more useful in civil life than in the army and that I would the better promote my interests and happiness and that of my family, I hereby tender my resignation as Lieutenant of your Division. Permit me to state that in doing this I am moved by no feeling of dissatisfaction with you or the Command. The Officers and indeed the privates of the Division have treated me with uniform courtesy and respect and you could not have acted with more kindness to your brother than you have invariably shown to me. I leave the Command cherishing the highest personal regard for you and with not the slightest unkind feeling to any one in the Division.

May the God of Battles shield you from personal injury in future conflicts, as he has done in the past and may he grant you continued success and triumph as an Officer and happiness as a man.

Very Respectfully Yours J. H. Dixon
